HUNDREDS PAY LAST TRIBUTE TO MEMORY OF JUDGE S. P. HUFF

Associate Justices Here From Amarillo—Services At Grave-Side In Charge Of Blue Lodge

The remains of Judge W. P. Huff, chief justice of the court of civil appeals at Amarillo, and one of the most widely known jurists in the southwest, were laid to rest Sunday afternoon in Eastview cemetery, where bodies of members of his family lie. The funeral service was in charge of Vernon Commandery, No. 33, of which Judge Huff was a former eminent commandery.

Dr. Robert E. Dickenson paid eloquent tribute to the character and life of Judge Huff, in the service at the First Methodist church. The building was crowded with friends of the former Vernon jurist, and many beautiful floral offerings were made. In addition to a large crowd from Vernon and a number of towns in Wilbarger county, friends were present from Amarillo, Wichita Falls and many other points in Northwest Texas.

Judge Huff is survived by his widow, two daughters, Mrs. C. B. Johnson and Mrs. R. N. Pittman of Amarillo, and a son, Vance Huff, a student in the University of Texas. He also had three brothers, John Huff, Sherman; Louis Huff, Whitesboro; W. M. Huff, Santa Anna, Cal., and two sisters, Mrs. Jim Kelly, Whitesboro and Mrs. W. H. Echols Sherman.

Mrs. Huff and the three children were present at the funeral, as were John Huff, a nephew, and his wife.

Included in those who came from Amarillo were Judge William Boyer and Judge R. W. Hull, associate justices of the Amarillo court of civil appeals, J. M. Oakes, clerk of the court, and J. Ray, former editor of the Vernon Record.

Judge Perkins of Quanah and Judge John C. Kay, Lester Humphries, Dan Boone and C. C. McDonald, of Wichita Falls, were here.

Judge Huff died at his home at Amarillo at 2 p. m. Friday following an illness of three days.

Judge Huff was born in Springfield Mo., and moved with his parents to Grayson county at an early age. A few years later he moved to Montague county, where he was admitted to the bar, and shortly afterward became county attorney. With his family he came to Vernon in 1888 and took up law practice. For a number of years he was associated as a law partner with John H. Stephens, veteran congressman of the old Thirteenth district.

Judge Huff took high rank at the bar before he had been in Vernon great while. He was not only a fine lawyer but an unusually strong advocate, and he soon attained a reputation throughout this section of the state. He served nearly three terms as judge of the Forty Sixth District court, and took an active part in politics. He served a number of times as a member of state Democratic conventions and on one occasion as a presidential elector from Texas.

Judge Huff moved to Amarillo about 10 years ago, when he was appointed to the appeals bench. He filled the place with distinction and was one of three appeals judges chosen by the state supreme court to assist the latter body in its work.

He was a public spirited man and during his residence in Vernon he was a consistent worker for all movements leading to civic betterment. He was prominent in Masonic circles, and was a charter member of the Odd Fellows and Eastern Star chapters here, and the Knights of Pythias while that body was in existence. He was superintendent of the Methodist Sunday school and an officer in the church.

Judge Huff was universally respected as a lawyer of remarkable ability and held in highest esteem as a man. His private life was without blemish and he was a devoted father and husband. He was an indefatigable worker and a citizen whose memory will be cherished in the hearts of all who knew him.

Active pall-bearers were C. S. McColloch, W. N. Stokes, L. K. Johnson, G. C. Morris, Joe Sumner and Frank Massie. Honorary pall-bearers were J. D. Summerour, T. H. Shive, L. G. Hawkins, T. J. Youngblood, J. A. (Continued on page 2)

Klanbns Visit Mt. Zion

Seven white robed figures entered the Mt. Zion church last Sunday night while Rev. E. H. Owen was delivering a sermon to a large audience.

The minister paused while the klansmen approached the altar and formed a semi-circle around the altar. One of them made a short talk and commended the minister for the good work done by his pastorate.

Rev. Owen was presented with a purse, and the white robed figures quietly marched out of the building.

JUDGE BERRY URGES CO-OPERATION FOR VERNON AND COUNTY

MRS. BIARNASON IS ICELAND'S FIRST WOMAN M. P.

Delivers Address At Rotary Luncheon—Pleads for Law and Order—J. G. Rossman Speaks

Emphasizing the strength found in cooperation, and urging his hearers to take hold of Vernon and assist in doing the things that will make this a cleaner city, deplored the apparent disregard for constitutional law in the country, and scathingly denounced the "cold check" practice which has recently developed among the people of this and other communities, and adding a word of praise for the League of Nations principle, sponsored by President Woodrow Wilson following the World War, Judge W. D. Berry, speaking at the Rotary Club luncheon today, delivered one of the most inspiring addresses heard in Vernon in many months.

But for the cooperative powers of brains, good will and finances this world would come to a standstill," the speaker asserted. "Every great achievement has been brought about by that invincible force gained through the fellowship and strength of joint action. The great steel industries, banking institutions and railroads were made possible only by cooperative enterprise of mankind," Judge Berry continued.

Praises League of Nations

"I have no desire to discuss politics here, but these ideas suggest to my mind a matter which I believe was a great world tragedy. When a few pig-headed politicians, through selfish motives, destroyed the League of Nations, they delivered a hard blow against world civilization," the speaker asserted.

"After watching the progress of the world for the past few years, and carefully analyzing the situation, I am convinced that if the United States had ratified the League of Nations when that document was submitted to them, the world today would have been 25 years ahead of her present stage." This declaration from the Vernon lawyer brought forth a sharp ripple of applause from the Rotarians.

The speaker also stated that foreign trade conditions and exchanges would have been solved by this time, had the League of Nations been adopted.

Raps Law Breakers

"Following the war we have witnessed an unprecedented period of law breaking," Judge Berry said. "If our laws were properly observed there would solve many problems and avert difficulties. Men usually begin this practice by violating the less important laws. But I want to say to you men that just such a little beginning will breed disrespect for the important laws and this very fact is one of the principal ills in this country today."

Cold Checks

"A few years ago you could hardly find a man who was willing to sign his name to a worthless check, and to day I am told that hundreds of these so-called 'cold checks,' are given in Vernon every month. My friends I want to say to you that it is a dishonest practice. The good people of this town and county should not tolerate such things and make it so unpleasant for those who would indulge in this habit, that the guilty party couldn't walk down the streets of Vernon in peace," Judge Berry asserted. He told the rotarians that it is now only through stringent methods that such things can be stopped.

Clean Up Town

The speaker told his hearers that a general civic movement, which had for its purpose, a general cleaning up of the town, planting flowers, cleaning up front yards and back yards, would enliven a spirit among the citizenship of Vernon which would be worth much to the town.

In connection Judge Berry said in part: "If you will take pride in your own home and clean up and beautify the premises, your neighbor will follow your example. You men could not do a better thing for Vernon than to start such a movement."

The speaker urged the principle of courtesy and good will towards business associates and the public. "There is nothing that will add more to the value of an individual to his business or to his community than a polite and courteous personality. We should be courteous to strangers and tourists as they pass through our town. It would mean much to our community to have

VERNON MEN IN WASHINGTON TO APPEAR BEFORE EXECUTIVE COMMITTEE

County Judge E. L. McHugh and R. H. Coffee left early Sunday morning for Washington, D. C., to appear before the executive committee of the Lee Highway association, which is to meet tomorrow to determine the route of the highway through Texas and Oklahoma. The two Vernon men went by St. Louis over the Frisco and Katy. They are not expected to return to Vernon before next Sunday or Monday.

In connection Judge Berry said in part: "If you will take pride in your own home and clean up and beautify the premises, your neighbor will follow your example. You men could not do a better thing for Vernon than to start such a movement."

The speaker urged the principle of courtesy and good will towards business associates and the public. FIRE IS A MENACE DURING HOLIDAYS

LOCAL AND NATIONAL OFFICIALS SOUND WARNING TO RESIDENTS

The poultry industry has made marvelous growth in Wilbarger county in the last year. Miss Edna Goodfellow, home demonstration agent, told members of the Lions' club last Friday, at the weekly meeting and luncheon, Miss Goodfellow gave many interesting facts concerning her work, with special reference to the chicken industry and to the patching of clothes.

J. N. Fulcher, principal of the Vernon High school, made an address on literary societies and spoke of the things being accomplished by local organizations along this line.

Mrs. Paul Goetz, president of the Vernon Parent-Teachers' association, told of the art exhibit to be held this week for the benefit of the schools, and declared that the organization which she represents has two cardinal aims: creation of public sentiment in favor of a new high school building, and providing athletic equipment for the grade schools.

The warning of the national association is intended to apply alike in the store, the church, the schoolhouse and the home. It follows:

"Keep the fire demon away from your Christmas tree."

"Use only electric lights and non-flammable decorations."

"Keep matches away."

"Remove the tree immediately after the holidays."

"The indiscriminate use of fireworks is dangerous and should not be permitted. Watch the careless smoker, and further protect Christmas shoppers and stocks of merchandise by keeping fire dangers out of electrical and other displays. It is probably too much to expect that the week will pass without casualties or fire. But the work of fire and accident prevention officers and organizations in the cities and towns of Texas in recent years has been most effective in turning public attention to safe and sane holiday celebrations, and like activity should carry us through this year with a further improved record."

When the final hour arrives the contest will be closed. The judges will then break the seals, unlock the box, and immediately thereafter, or as soon as votes can be issued on the subscriptions contained therein, the last count will begin.

Most Successful Campaign

And never before in the history of the state has there been such a successful subscription campaign. Each of the leading candidates has turned in hundreds of new as well as renewal subscriptions, and the enthusiasm of the contestants has been augmented by the hearty responses the people have made to their solicitations. The final week will give the total volume of the big campaign a big boost.

Each contestant is now devoting every minute of their time to getting in all the votes before the closing hour, and the enthusiastic boasting of their friends is proving an important factor in the race. The awarding of the prizes will be the biggest event in the history of Vernon. Interest bordering on excitement will prevail all day Saturday.

Starts Motor Delivery Service

The Parker-Donges grocery company has started a motor delivery service which will take the place of the horse-drawn delivery wagon which has been in use. The latter will henceforth be used only on Saturdays. R. C. Lawson will have charge of all grocery deliveries, beginning this week.

Go on Hunting Trip to Ranch

Rev. and Mrs. Rev. Robert E. Dickenson and R. D. L. Killough and Mrs. René Watts went to the latter's ranch 18 miles north of Vernon, for a hunting trip last Friday. The party enjoyed chicken dinner at the ranch house.

MOVIE CALENDAR

VERNON TO HAVE A REAL MOVIE ACTRESS

Lila St. Cyr, a Winebago Indian, who is known in the film circles as Red Wing, will appear at the Vernon Theatre Wednesday and Thursday nights in Indian and English songs and will also give a short talk of her experiences as a movie actress.

Red Wing is a graduate of the famous Carlisle Indian school and was also a protege of United States Senator Long, of Kansas, before entering the movies. Her first appearance was with the Original 101 Bison. Pathé "Red Wing Series" also has "Naturel," in the "Squaw Man" opposite Dustin Farnum and the "Starlight," in "Days of Daring," opposite Tom Mix. She has always played Indian parts, with the exception of the time she played with Geraldine Farrer in the production of Carmen as a Spanish girl. This Vernon's first opportunity to see a real Indian movie star. She will be assisted by an Omaha Indian boy, in his native songs and dances.

Also the Musical Bracken, the most versatile Vaudeville act in the business—plays 20 different instruments in conjunction for big picture program and for this special occasion, we have selected "White Satin Sleeps." A big double tremendous picture program and vaudeville.

Mr. Bracken, in addition to playing 20 different musical instruments, presents ventriloquism and imitation of all kinds of birds and animals.

MORALS VS. MORALS DISCUSSED IN NEW WARNER PHOToplay

An evening gown the garb of gratification?

Without hesitation most of us will say that it is not, but the stern parent in "Why Girls Leave Home," which will be shown at the Pictorium this Friday and Saturday is firm in the belief that it is a sham and ingenious mode of revealing the backs of women. In direct contrast to this assertion Ann Q. Nilson, who is the featured player in the screen play, contends that there is nothing suggestive about an evening gown and that furthermore it serves to make women more attractive in the eyes of their admirers.

"Practically all of a woman's life is centered on being attractive to either her husband or intimate friends," said Miss Nilson, smiling demurely. "Surely, if we take away the right of a woman to look her best, we rob her of the only possession with which to hold her man. But evening gowns are

not to be despised. In the picture my father sternly objects to my wearing the gown simply because he is an old-fashioned, narrow-minded person whose foresight has never gone beyond the four walls of his home. The broader viewpoint on this question can be brought about by education and religion, and by a saner and more appreciative consideration of their daughter's problem by the parent."

Prominent members of the cast supporting Miss Nilson include Claude King, Julia Swayne Gordon, Maurice Powers, Colt Anderson, George Lessey, Dan Mason, Kate Blanke, Kathryn Perry (Mrs. Owen Moore) and others of prominence in the screen world. The production was made by Warner Brothers, supervised by Harry Rapf and directed by William Nigh.

WEDNESDAY AND THURSDAY AT THE PICTORIUM

A complete motion picture of the Annual Thanksgiving football games between Texas and A. & M. will be shown Wednesday and Thursday at the Pictorium. According to reports, the last game drew the largest crowd of all history of the game. More than 25,000 witnessed this battle. The picture will show play by play as was fought between the two teams Thanksgiving day. Those who could not see this game now have an opportunity to see it on the screen Wednesday night.

In addition to the big football picture, Neal Hart in "Rangeland," a thrilling story of the Texas cattle ranges and western life will be shown. This is a thrilling story from start to finish.

"WHILE SATIN SLEEPS" AT THE VERNON THEATRE

"A man's fight with himself," says A. S. LeVino, adapter of Jack Holt's latest Paramount picture, "While Satan Sleeps," showing at the Vernon theatre next Wednesday and Thursday, "is the best description of the theme of this picture. To fight with a material enemy is comparatively easy, but to battle with one's own conscience and beat the evil influences at work in one's self, is a scrap that will put a man to the test as nothing else can. That is the kind of role they have given Jack Holt in this picture."

Many have read Peter Kyne's story "The Person of Panamint," upon which this new picture was based. Joseph Henaberry directed and the cast includes Fritz Brunette, Wade Boteler, J. P. Lockney, Mabel Van Buren, Will Walling, Fred Huntley and other capable Paramount stock company players.

"LONESOME CORNERS" IS ROMANCE OF MAINE

Edgar Jones and Ethna May Spill who have been confining their activities to two-reel dramas of Maine, as written by Holman Day, will appear in a feature film at the Vernon Theatre next Friday.

It is called "Lonesome Corners," the title referring to a spot deep in the solitude of the great woods of the North, where the days came and went with tiresome monotony, where visitors seldom came.

There Henry Warburton managed a general store. He was a member of a wealthy New York family who had sown his oats too wildly and had been banished to the North woods for ten years, if he would inherit his father's fortune.

"Lonesome Corners" tells Warburton's unusual love story—his marriage to an ignorant little girl of the

woods, his regret, and then his awakening. It is a story rich in humor and human interest, and is said to also contain an element of mystery and suspense. It is an Edgar Jones production presented by Playgoers.

the outside world recognize us as a courteous and likable people," he asserted.

Judge Berry praised the churches for the work they were doing in Vernon and said: "Wherever you find a church going people, you will find a reliable and worthy community."

Rossman Speaks

James G. Rossman, manager of the Vernon Electric and Ice company, was a guest of the club and made a very interesting address. Mr. Rossman spoke in part as follows: I want to emphasize Judge Berry's talk on the matter of cleaning up the town. One of the first things I did after coming to Vernon, was to repaint and renovate our office." The speaker asserted that while he was a newcomer he was anxious to serve this city and county in any way he could and called attention to the slogan which his company was offering a prize for the citizen who would suggest the best one for Vernon and Wilbarger county.

Mr. Rossman said that his company expected to beautify the surroundings of all of its property by planting flowers next spring.

GIRLS' PROBLEM TO BE DISCUSSED

PARENT-TEACHERS' MEETING DE- VOTED TO MODERN DAY SCHOOL QUESTIONS

The Parent-Teachers' association of the high school will meet Thursday afternoon at 4 o'clock for an interesting program which will be opened by selections played on the new Victrola. Mrs. Paul Goetze is to speak on the subject of resolutions endorsed by the Texas Congress of Mothers, at its last convention. Mrs. O. A. Brunson will discuss "home management of older girls."

A round table discussion will form the longer portion of the program. Included in the topics which will receive attention are the following questions:

How we make our girls home-loving?

What is the best way to manage a discontented girl?

How may we gain and hold the confidence of a growing girl?

What household duties should be required of a school girl?

What is the best treatment for the girl who has an over-fondness for dress?

What attitude should the mother take towards the first boy friends of her daughter?

How and why should the mother manifest interest in the friends and pleasures of her daughter?

What are some of the best books for girls from 13 to 16 years of age?

These are questions which should be of profound interest to every mother, in the belief of members of the Parent-Teachers' association. A large attendance at the meeting is expected.

COMMUNITY SPIRIT.

Vernon has made many civic improvements recently, and others are being made. With the development of an abundant water supply in process of accomplishment, this city will be in a position to offer fine inducements to outside enterprises.

Cities grow by capitalizing the advantages which they have, using them as levers to secure other advantages. Vernon needs to exploit its own resources and industries and business.

Co-operation is needed if this is to be done. It is not enough to have civic pride—community spirit is necessary. It is true of cities just as it is of men that "whosoever would save his life shall lose it." It is a law of life that the greater the sacrifices which citizens make for the common good, the greater the reward to the community and the individuals who compose it.

It is natural that distrust and jealousies should grow in such a maelstrom of speculation as Wilbarger county experienced during the oil boom. But the essential soundness of this county's resources, the dominant qualities of its business men, have been effectively proven. The county's finances are today in better shape than at any previous time since the outbreak of the war, according to local bankers. And Vernon business men have passed through the period of deflation which followed the war and which was made doubly acute here by conditions resulting from the oil boom, and are now in shape to face the future with confidence.

Vernon is on the threshold of a new era of development. But it is likely never to get past the portals unless its citizens unite their strength to meet the keen competition which wide awake cities of this section are offering.

Choicest of MeatsSEEK TO AROUSE INTEREST
IN PLANTING PECAN TREES

A campaign to arouse interest in pecan culture and to induce every woman in Wilbarger county if possible to plant at least one pecan tree, was decided on at a meeting of the Home Science club, held at the home of Mrs. J. G. Sherman. Other Vernon civic organizations will be asked to aid in the work.

All members of the club who were present at the meeting pledged themselves to plant pecan trees. The paper shelled, quick maturing variety is the one most favored. Several of these trees are growing in Vernon and the county is said to be admirably adapted to their growth.

MANY KIDDIES SEND CHRISTMAS LETTERS

RECORD IS ENTRUSTED WITH DELIVERY OF HIGHLY IMPORTANT PAPERS

Grown-ups may not realize that Christmas is almost here, but Vernon kiddies all know it, and the Record office has been made aware of the fact. For petite little misses and bashful, freckled-faced little boys have been dropping in all during the week bringing letters to Santa Claus.

The Record cannot give positive assurance that issues containing these letters will reach Santa Claus before Christmas arrives, for the way to his country is long and travel is sometimes slow. And strange to say, not one of the contestants who are getting subscriptions to the Record has put jolly old Saint Nicholas down for even a year's subscription. But he has many scouts in this part of the country and some of them are pretty sure to see the letters written by good boys and girls.

So from now until Christmas, the Record will publish as many letters to Santa Claus as space will permit. Letters received this week follow:

Vernon, Tex., Dec. 12

Dear Santa Claus: I will write you a letter to see if you will come to see us. I am hoping it will not be cold, or you will not be sick and will have lots of presents for all the little kiddies. I would like to have a nice doll and a ring. I have three little sisters; their names are as follows: Geneva Hicks, 7 1/2 years; Ray Hicks, 5 years; Lola Hicks, ... two brothers Hollis Hicks, 6 1/2; Dewey Hicks, 15 1/2.

Now dear Santa, I sure hope you will find us, as we want to see you very bad. Hope it will be nice and warm and you will have lots of presents for the kiddies. All will be glad to see you in your fur. Oh, Santa I forgot, mother's name is Eddie Hicks. Hope you will bring her something too. Well, Santa, I will close, hoping to see you. I live north of the Frisco water tank. Goodbye, Santa.—Little Ruby Hicks, Vernon, Tex. Box 949.

Vernon, Tex., Dec. 11

Dear Santa Claus: I am a little girl ten years old. Please do not forget me this year, please bring me a big doll, a little stove, a doll trunk full of clothes, and some apples and oranges and candy, a washtub, and all kinds of nuts.

I will close for this time. Goodby.—Laura Mae Rogers, South Violet St.

Vernon, Tex., Dec. 11

Dear Santa Claus: Don't forget me this year. I am a little boy 12 years old. Please bring me a pair of skates, a box of marbles, a suit of clothes, a ball and a mitt. Bring me some bananas, oranges, nuts, candy.

Goodbye, Your Friend, Garland Rogers, South Violet street.

Vernon, Tex., Dec. 9

Dear Santa Claus: I am a little girl eight years old. Please don't forget me this year. Please bring me these things. I want a big doll, a washtub, a set of dishes, a new pair of shoes and all kinds of nuts and oranges and apples and bananas. I will close for this time.

Goodbye, Lora Rogers, South Violet street.

Vernon, Tex., Dec. 9

Dear Santa Claus: I am nearly two years old. I want you to bring me a little dog, fruit and candy, so goodbye.

John Williams Dempsey, East Main street, second block west of Park er school.

Vernon, Tex., Dec. 9

Dear Santa Claus: I am a little boy two years old. I am writing you hoping you will think of me and my little baby brother two months old this Christmas. I will be satisfied with anything. I am in the little red house due north from the Frisco water house, so goodbye.

Johnnie Baird.

My little brother's name is Robert Baird.

Vernon, Tex., Dec. 10

Dear Santa Claus: I am a little girl going on two years old. Please don't forget me this Christmas. Please bring me a doll, a rattle, fruit and candy. I live at my grandma Dempsey's, corner of Maiden and Eagle street.

Aima Isbell Chancellor.

Serious injury to a number of the trees in the local golf course near Vernon, N. J., has resulted from the abundance of Japanese beetles, according to reports received by the Bureau of Entomology of the United States Department of Agriculture. The green office local facilities for the beetles to lay their eggs during the season, and it is apparent that the effect of these heavy egg depositions will be serious, in some cases necessitating the rebuilding of infested greens.

The San Jose scale has been very destructive this season in southern Illinois and southern Indiana, according to reports received by the United States Department of Agriculture. Large apple orchards have been infested, and growers must adopt vigorous measures to get it under control. The work in Indiana is being directed by Prof. J. J. Davis, of Purdue University, and in Illinois by W. P. Flint, of the State Department of Agriculture. The Bureau of Entomology of the United States Department of Agriculture has conferred with the state authorities on control measures.

Demonstrations by extension workers in the methods and importance of spraying fruit trees have resulted in farm orchards being sprayed on over 37,000 farms in 1921, according to reports to the United States Department of Agriculture.

COLORADO DOUBLES MILEAGE OF ROADS IN SEVEN YEARS

Colorado has more than doubled its mileage of improved road in the last seven years, according to the United States Department of Agriculture, which has made an extensive investigation as to the highway mileage and revenue of the state.

In 1914 there was 13,298 miles of improved road and a total of 39,780 miles while in 1921 the improved mileage had increased to 29,540 miles and a total of 48,143.

The improved road at the present is classified as follows: Graded and drained, 24,941 miles; sand, clay and gravel, 4,397; macadam, 131 miles; other types of surfacing 71 miles.

While most of the improved road in this state is what is known as low-type road, the fact that more than 60 per cent of the total mileage has been improved constitutes a record that will be envied by many.

For each square mile of area the road revenue amounts to \$85.56 and there is one-half mile of road. The

total road revenue amounts to \$9,35 per capita, \$182.07 per mile of road, and totals \$8,765,443.

Play at Rayland Saturday Night

Pupils and faculty of the Rayland school will give a play, "The Old Fashioned Mother," at the school building Saturday night. Admission prices will be 25 cents for grownups and 15 cents for children over 10 years old, while children under 10 will be admitted free. Proceeds from the play will go to a fund to purchase a piano for the church.

Officers Seize Big Still

A 50 gallon still and a quantity of mash were seized by a deputy sheriff Sunday, on a farm south of Harrold. A man who was at the outfit escaped by running across a field. The man and part of the whiskey making outfit was destroyed, while the rest was brought to Vernon.

Fair Association Directors Meet

Plans for the sale of a portion of the Wilbarger county fair grounds were discussed at a meeting of the directors of the fair association at the chamber of commerce headquarters yesterday afternoon.

The meeting was devoted to informal discussion and no definite action was taken.

More than 25,000 farmers adopted the use of self-feeders for hogs in 1921 following demonstrations by extension workers, according to reports to the United States Department of Agriculture.

THREE PIONEERS REMEMBER WHEN THEY CAME HERE; FOURTH DOESN'T

"I landed in Vernon 33 years ago today," remarked an old timer yesterday as he broke into a conversation between two prominent Vernonites in front of the Waggoner National Bank. "It was just about such a day as this," he continued. "The weather was all one could ask."

"You haven't got me bested, I came here on February 5, 1889," replied Tom H. Shive, one of the trio of Vernon's pioneer citizens.

"I landed here in the fall of 1889 myself," remarked W. O. Anderson, the third member of the trio.

It was Dr. J. E. Dodson who celebrated his 33rd anniversary in Vernon yesterday.

"Reminiscing" is a favorite sport in Vernon among the early settlers of this section and none have had a wider experience during the early business and a professional development of Vernon in the nineties than this trio of veterans.

A phase of this item which adds still another chapter to the coincidence is the fact that the reporter for the Record that caught this bit of conversation also landed here in 1889—he does

n't remember, however, whether it was a sunny or rainy day or whether a sandstorm was raging.

Newlyweds Go to Missouri

Miss Ermogene Pickering of Hannibal, Mo., and Mark E. Wright were married at the Central Christian parsonage at 2 p.m. yesterday. They left immediately for Hannibal, Mo., where they will make their home.

GOVERNMENT FILM SHOWS REAL WAR

AMERICAN TROOPS IN ACTION PORTRAYED BY SIGNAL CORPS PICTURE

"America's Answer," official United States government picture of the world war, will give those who were not on the battlefields of France a definite idea of what the front was like. The film will be shown at the Vernon Theatre Dec. 20 and 21, under auspices of the American Legion.

The picture was made during the war by the U. S. Signal Corps, to be used at the time of making, officially by the War Department. The picture is in seven reels and constitutes a complete, vivid portrayal of the world war and the part played by America.

The film starts by showing President Wilson and General Pershing, the man who taught the military experts of Europe a lesson in breaking through the Hindenburg line, which they claimed were at some points impossible to take. Then the great problem of getting the men across the ocean that was undermined with German submarines, is portrayed.

The building of big steel and concrete warehouses, base hospitals, railroads, refrigerating plants, and locomotives, is shown. Then to the preparing of camouflage, which is shown later in use on the front. The picture moves gradually upward in the scale of climatic interest to the final burst of three reels of war, shorn of its glamor and revealed naked in its awfulness.

Zepplin Attack Shown

There is the airplane raid by day, the Zeppelin attack at night, and the killing of hundreds of helpless, old men, old women, and little children. You'll breathe a sigh of pleasure when you see the huge, merciless serpent of the air shot down with an anti-aircraft gun, manned by "doughboys." Showing with a remarkable close-up of our boys going over the top, through bursting shells and tangled wire, hand to hand fighting, gas attacks is seen. The largest guns used by the Allies in real battles, the large guns mounted on railway flat cars, the tremendous trench mortars, and the big gun, manned by Americans, which shot 22 miles are to be seen.

Two of the thrilling scenes were made by German photographers, one was captured and the other killed. One of the scenes show the Royal Prussian Guard, the Kaiser's picked men, shooting into French and American lines. There were several men besides Germans that were killed making some of the scenes.

In viewing this picture you are seeing the war as it was actually fought. As a famous historian exclaimed after seeing the picture, "A more complete history of the war and the part played by America, could not be written." Many men that have seen the picture admit they see more in this picture than they did in France, in the way of action. Many of the things shown in this picture have, until lately, been guarded in the archives of the war department as secret military information.

It is a picture that school authorities believe every school child should see. So each afternoon there will be

Big Cotton Acreage Planned

Farmers of the Elliott community will plant a large acreage to cotton next year, stated J. O. Blanton, manager of the Elliott gin, who was in Vernon Monday on a business trip. Wheat is looking fine, Mr. Elliott stated, and a number of farmers already are pasturing livestock in the fields. Cotton raisers in many instances are preparing their land for next year's crop.

BOB WHITE IS ABSENT ON VACATION, HUNTERS SAY

"What has become of the little Bob White?" is the question Vernon sport enthusiasts are asking. Repeated sallies into the country, careful working of the brushy creek bottoms, the maize patches and other places where quail are usually found, have in most cases been unproductive of results. Even the prowess of several justly famed quail dogs has suffered, and their master is dimmed in the eyes of their owners.

The reason is, hunters say, the quail just aren't there. Many ducks are to be found along the rivers and creeks, but few quail.

The scarcity of rabbits in many portions of the county also is puzzling. Some attribute their rarity to the fact that coyotes are numerous, while others hold the belief that the drought of last summer caused them to migrate to greener fields.

A farmer living a few miles northeast of town recently told friends in Vernon that he has five flocks of quail on his place, which are so tame they often come to the barnyard to share meals with the chickens. But his land is posted, so the intelligence doesn't mean anything to hunters.

WHITE CHRISTMAS PLANNED AT PRESBYTERIAN CHURCH

A White Christmas program will be carried out by the Presbyterian Sunday school next Sunday at the Sunday school hour. The Christmas tree will be in place and the gifts will be placed on the tree by a special committee.

The Sunday school is undertaking to provide an individual gift for the 250 orphans in our orphans' home at Itasca and Albany. Each child is asked to bring a gift suitable for a child of its age. Knives, books, ties, dolls, pencils, tablets, toys for clothing, in fact anything that children would enjoy may be given. A barrel of apples will be sent to each orphanage, so enough candy to give each child a large stick.

The White Christmas also includes old and worn out ministers. All who will are requested to bring a gift of money for these. There are hundreds of them who are too old for service and must now depend on the church for their daily bread. Place the money in an envelope or tie a string about a bill and give it to the committee next Sunday morning.

All this is done a week early so that the orphans may receive their gifts in time for a real Christmas and the children of the Sunday school realize some of the real Christmas spirit—giving.

OUR APPRECIATION

On the eve of the termination of the **Vernon Record's** mammoth prize-winning campaign, the management of the campaign and the publisher wish to express their appreciation of the wonderful results that have been accomplished by these enterprising, efficient contestants. Starting very slowly at first, each week added momentum and found more and more people taking active part in "backing various candidates until now on the final lap, it seems that all West Texas is engaged in one powerful, smashing, tremendous struggle for supremacy in the battle of ballots.

The only regret on the part of the management is that instead of two, we had about one dozen automobiles to give away to the splendid list of hustlers. Too much cannot be said of the character, the caliber and spirit of these contestants. In experience covering a period of over nine years association with newspaper candidates throughout the southern States, the management has never seen a list of candidates who could be better termed "the pick of the community!" Ambitious, energetic, fair-minded, courteous, it has been a real pleasure and a privilege to be associated with them.

It is with sincere regret that we see the campaign near its end and our daily association and visits with them brought to a close.

Just a word might be said as to the conduct of the campaign and its close. With the idea rigidly fixed in the mind of absolute fairness to one and all not only through the progress of the race, but through its close, a sealed ballot box is being used (as is explained in the details of the final count on another page). By using this sealed ballot box into which is placed all subscriptions secured this last week and their reserve ballots, no one, not even the campaign management nor the publisher himself, can know what any candidate is accomplishing until the whole race is over. This method of bringing the big battle to a close insures absolute fairness to everyone.

As to the results which the splendid contestants have been able to accomplish—they have been truly wonderful. The fact that the circulation of the **Vernon Record** has been nearly doubled by their efforts is an assurance that the most popular and the highest type of people in West Texas have been engaged as participants.

Every individual contestant who has shared in this success should feel proud of what he or she has accomplished and of how many real friends, REAL friends they have discovered and made, who have helped them on their way toward the goal.

As has been stated before, the management regrets that there are not more automobiles to be distributed—Enough, in fact, so that every one of these worthy hustlers could be given one. Since this cannot be true, however, every participant who does not land one of the biggest prizes and who has remained active through the campaign will receive a reward in cash in proportion to what they have accomplished, and from the present indication, some of these cash awards will mean real money to the recipients.

The management wishes again to express sincerest appreciation and thanks to each individual contestant for the friendliness and good feeling that has prevailed throughout the race and the kindness and courtesy and fairness and goodness shown the management at all times. It has been a privilege indeed to have been associated with men and women of such character and West Texas should feel proud to possess such genuine, progressive, energetic, ambitious, fair-minded, awake-to-opportunity citizenship.

DETAILS OF THE FINAL COUNT

IN ORDER TO MAINTAIN STRICTEST SECRECY AS TO THE NUMBER OF SUBSCRIPTIONS TURNED IN BY EACH CANDIDATE DURING THIS, THE LAST WEEK OF THE VERNON RECORD'S BIG AUTOMOBILE AND GOLD PRIZE CAMPAIGN, THE RACE WILL BE BROUGHT TO A CLOSE UNDER A SEALED BALLOT BOX. AFTER TODAY THE STANDINGS WILL NOT BE PUBLISHED.

No subscriptions whatever will be accepted thru the campaign department this week, but instead, candidates themselves will deposit their final collections in the sealed ballot box located at the First Guaranty State Bank of this city. By so doing no one, not even the campaign manager, nor the publisher, can possibly know the voting strength of the respective candidates, which precludes any possibility of favoritism and insures fairness to the minutest degree.

LOCKED AND SEALED, THE BALLOT NOW REPOSES IN THE VAULTS OF THE FIRST GUARANTY STATE BANK, WHERE IT WILL REMAIN UNTIL THE CLOSING HOUR OF THE CAMPAIGN—12 O'CLOCK SATURDAY NIGHT, DECEMBER 16.

When the final hour arrives the campaign will be declared closed. The judges will break the seals, unlock the box, and immediately thereafter, or as soon as votes can be issued on the subscriptions contained therein, the last count will begin. The winners will be determined by merely adding the published vote totals, which will appear for the last time in today's issue, to the reserve votes and those contained in the ballot box. There will be no waiting, no complicated count, but simply a matter of adding the vote totals and announcing the winners.

It is calculated that it will require some time, however, to canvass the findings in the box and to determine the winner. The official result will be published in next Tuesday's issue of The Vernon Record.

Out-of-Town Candidates Attention!

Heretofore out-of-town candidates have had the privilege of mailing their letters containing subscriptions from their home town as late as the closing hour of the various "periods." This will not be permitted the last night of the campaign. ALL VOTES AND SUBSCRIPTIONS MUST BE IN THE SEALED BALLOT BOX WHEN THE RACE IS DECLARED CLOSED AT TWELVE O'CLOCK SHARP.

Out-of-town candidates should, where possible to do so, arrange to deposit their envelopes in person at the bank, but where this cannot be done, letters containing the final remittances should be addressed to "Campaign Department," Vernon Record, Vernon, Texas, and plainly marked: "For Sealed Box. Not to be opened." Particular care should be taken to post such letters in good time to reach this office before the final hour and it is advisable that same should be sent under special delivery stamp.

Important Notice

All subscriptions deposited in the sealed ballot box must be accompanied by cash, money order or certified check for the full amount to cover. Personal checks up to \$10.00 are acceptable, providing no two checks are signed by the same party. This ruling is made in fairness to all candidates, and will be strictly adhered to.

The Judges

Some of the members of the Advisory Board, selected at the beginning of the campaign, will be asked to act as judges; to canvass the finding in the ballot box, and to award the prizes. The personnel of this board is as follows:

HUB COLLEY
Lumber Dealer

R. D. HURT
Farmer

T. J. MILNER
Farmer

LON BYARS
Farmer and Banker

T. C. FROST
Farmer

R. D. L. KILLOUGH
Lawyer

A. M. BOURLAND
Farmer and Banker

All of these gentlemen are well known to everyone in Vernon and surrounding territory, and the final result, as given out by them, will be beyond dispute.

Fourth Period Vote Schedule

The last week (terminating December 16) the following number of votes will be issued on subscriptions:

1 year	\$ 2.00.....	3,000	3 years	6.00.....	30,000	5 years	10.00.....	60,000
2 years	4.00.....	15,000	4 years	8.00.....	45,000	6 years	12.00.....	90,000

The above schedule of votes, which is on a declining basis, will positively not be raised during the campaign. A special ballot, good for 100,000 extra votes, will be issued on every "club" of \$12.00 in subscriptions turned in. A "club" may be composed of small or large subscriptions totaling \$12.00 worth. No subscriptions will be accepted for over six years from any contestant.

FINAL FATEFUL HOURS

With the final hour, twelve o'clock Saturday night, emblazoned on their minds, stirring scenes are being enacted by candidates in the Vernon Record Great Automobile and Gold Election, now swiftly drawing to a close.

Aroused to unprecedeted opportunities of winning the beautiful motor cars and many other big prizes, each passing hour is instilling new energy into ambitious workers. Everywhere they are swarming in eager and anxious quest for subscriptions that will win them the big votes—and in the end, an automobile.

These workers pay no attention to frequent rumors that circulate with the hope of damaging effect. Misleading stories have but one object—influeneing some candidate to retire for fear of being passed by some one else in the race. Such tales have no foundation whatever. It is obvious that no one can determine the ultimate result of the campaign.

Courage and downright hustle are the two main things to observe. Votes are the only things that will win the prize, and every candidate should—and, for that matter, is—taking upon himself and herself to annex just as many votes as possible between now and the close.

The road ahead may be strewn with barriers, but these will be of slight consequence to the one who goes steadfastly onward thru the corridors of chance and out into the "Land where happiness lies."

HUNDREDS PAY LAST TRIBUTE TO MEMORY OF JUDGE S. P. HUFF

Associate Justices Here From Amarillo—Services At Grave-Side In Charge Of Blue Lodge

The remains of Judge W. P. Huff, chief justice of the court of civil appeals at Amarillo, and one of the most widely known jurists in the southwest, were laid to rest Sunday afternoon in Eastview cemetery, where bodies of members of his family lie. The funeral service was in charge of Vernon Commandery, No. 33, of which Judge Huff was a former eminent commandery.

Dr. Robert E. Dickenson paid eloquent tribute to the character and life of Judge Huff, in the service at the First Methodist church. The building was crowded with friends of the former Vernon jurist, and many beautiful floral offerings were made. In addition to a large crowd from Vernon and a number of towns in Wilbarger county, friends were present from Amarillo, Wichita Falls and many other points in Northwest Texas.

Judge Huff is survived by his wife, two daughters, Mrs. C. B. Johnson and Mrs. R. N. Pittman of Amarillo, and a son, Vance Huff, a student in the University of Texas. He also had three brothers, John Huff, Sherman; Louis Huff, Whitesboro; W. M. Huff, Santa Anna, Cal., and two sisters, Mrs. Jim Kelly, Whitesboro and Mrs. W. H. Echols Sherman.

Mrs. Huff and the three children were present at the funeral, as were John Huff, a nephew, and his wife. Included in those who came from Amarillo were Judge William Boyce and Judge R. W. Hall, associate justices of the Amarillo court of civil appeals; J. M. Okoles, clerk of the court, and J. Ray, former editor of the Vernon Record.

Judge Perkins, of Quanah and Judge John C. Kay, Lester Humphries, Dan Boone and C. C. McDonald, of Wichita Falls, were here.

Judge Huff died at his home at Amarillo at 2 p. m. Friday following an illness of three days.

Judge Huff was born in Springfield Mo., and moved with his parents to Grayson county at an early age. A few years later, he moved to Montague county, where he was admitted to the bar, and shortly afterward became county attorney. With his family he came to Vernon in 1888 and took up law practice. For a number of years he was associated as a law partner with John H. Stephens, veteran congressman of the old Thirteenth district.

Judge Huff took high rank at the bar before he had been in Vernon a great while. He was not only a fine lawyer but an unusually strong advocate, and he soon attained a reputation throughout this section of the state. He served nearly three terms as judge of the Forty-sixth District court, and took an active part in politics. He served a number of times as a member of state Democratic conventions and on one occasion as a presidential elector from Texas.

Judge Huff moved to Amarillo about 10 years ago, when he was appointed to the appeals bench. He filled the place with distinction and was one of three appeals judges chosen by the state supreme court to assist the latter body in its work.

He was a public spirited man and during his residence in Vernon he was a consistent worker for all movements tending to civic betterment. He was prominent in Masonic circles, and was a charter member of the Odd Fellows and Eastern Star chapters here, and the Knights of Pythias while that body was in existence. He was superintendent of the Methodist Sunday school and an officer in the church.

Judge Huff was universally respected as a lawyer of remarkable ability and held in highest esteem as a man. His private life was without blemish and he was a devoted father and husband. He was an indefatigable worker and a citizen whose memory will be cherished in the hearts of all who knew him.

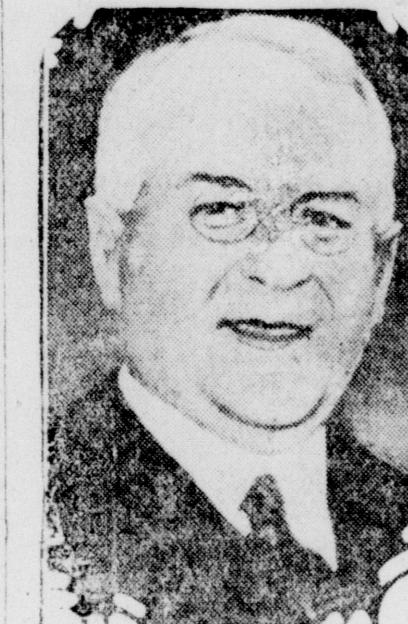

Active pall-bearers were C. S. McColloch, W. N. Stokes, L. K. Johnson, G. C. Morris, Joe Sumner and Frank Massie. Honorary pall-bearers were J. D. Summerour, T. H. Shive, L. G. Hawkins, T. J. Youngblood, J. A. Klausmunt Visit Mt. Zion

PROBE OF GIN FIRE AT FARGO IS BEGUN

SECOND BLAZE OF SEASON DESTROYS PLANT; ARSON IS SUSPECTED

Fire of unknown origin destroyed the Fargo gin last Thursday night, with a loss of several thousand dollars, partially covered by insurance. County officers are making an investigation to determine if the blaze was of incendiary origin, and this theory is given weight by the fact that an attempt to burn the gin was made early in the fall.

At that time, kerosene oil is said to have been placed in some cotton seed at the gin and a match applied. The fire was discovered however, and put out with only small damage.

The fire which destroyed the structure occurred shortly after ten o'clock Thursday night. A bale of cotton had been ginned late in the day, but was closed about sundown. None of the employees were at the structure when the blaze started, and the fire was past control when it was discovered.

The gin was owned by A. J. Wall, of Fargo, and L. P. Starr, of Odell.

The building is in good repair and will furnish an excellent meeting place for the Legionnaires. Plans are under way to hang pictures on the walls and take other steps to make the new headquarters home-like and attractive. The legion will have possession of the new halls Dec. 15.

JUDGE BERRY URGES CO-OPERATION FOR VERNON AND COUNTY

MRS. BIARNASON IS ICELAND'S FIRST WOMAN M. P.

Delivers Address At Rotary Luncheon—Pleads for Law and Order—J. G. Rossman Speaks

Emphasizing the strength found in cooperation, and urging his hearers to take hold of Vernon and assist in doing the things that will make this a cleaner city, deplored the apparent disregard for constitutional law in the country, and scathingly denounced the "cold check" practice which has recently developed among the people of this and other communities, and adding a word of praise for the League of Nations principle, sponsored by President Woodrow Wilson following the World War, Judge W. D. Berry, speaking at the Rotary Club luncheon today, delivered one of the most inspiring addresses heard in Vernon in many months.

But for the cooperative powers of brains, good will and finances this world would come to a standstill," the speaker asserted. "Every great achievement has been brought about by that invincible force gained through the fellowship and strength of joint action. The great steel industries, banking institutions and railroads were made possible only by cooperative enterprise of mankind," Judge Berry continued.

Praises League of Nations

"I have no desire to discuss politics here, but these ideas suggest to my mind a matter which I believe was a great world's tragedy. When a few pig-headed politicians, through selfish motives, destroyed the League of Nations, they delivered a hard blow against world civilization," the speaker asserted. "After watching the progress of the world for the past few years, and carefully analyzing the situation, I am convinced that if the United States had ratified the League of Nations when that document was submitted to them the world today would have been 25 years ahead of her present stage." This declaration from the Vernon lawyer brought forth a sharp ripple of applause from the Rotarians.

The speaker also stated that foreign trade conditions and exchanges had been solved by this time, had the League of Nations been adopted.

Raps Law Breakers

"Following the war we have witnessed an unprecedented period of law breaking," Judge Berry said. "If our laws were properly observed there would solve many problems and avert difficulties. Men usually begin this practice by violating the less important laws. But I want to say to you men that just such a little beginning will breed disrespect for the important laws and this very fact is one of the principal plagues in this country today.

Cold Checks

"A few years ago, you could hardly find a man who was willing to sign his name to a worthless check, and to-day I am told that hundreds of these so-called "cold checks," are given in Vernon every month. My friends I want to say to you that it is a dishonest practice. The good people of this town and county should not tolerate such things and make it so unpleasant for those who would indulge in this habit, that the guilty party couldn't walk down the streets of Vernon in peace," Judge Berry asserted. He told the rotarians that it is now only through stringent methods that such things can be stopped.

Clean Up Town

The speaker told his hearers that a general civic movement, which had for its purpose, a general cleaning up of the town, planting flowers, cleaning up front yards and back yards, would engineer a spirit among the citizenship of Vernon which would be worth much to the town.

In connection Judge Berry said in part: "If you will take pride in your own home and clean up and beautify the premises, your neighbor will follow your example. You men could not do a better thing for Vernon than to start such a movement."

The speaker urged the principle of courtesy and good will towards business associates and the public. There is nothing that will add more to the value of an individual to his business or to his community than a polite and courteous personality. We should be courteous to strangers and tourists as they pass through our town. It would mean much to our community to have

The climax comes Saturday night.

Seven weeks of enthusiastic work and hustling on the part of the candidates in the Vernon Record's big automobile campaign will culminate in the final scene Saturday night, Dec. 16 at 12 o'clock. The awards of the valuable prizes will be announced in Tuesday's Vernon Record.

The list of prizes includes two magnificent new 1923 model cars. A \$300 cash prize, two \$100 prizes and two \$50 prizes. Cash commissions will be paid to all other contestants who have remained active throughout the campaign as indicated in the formal announcement at the beginning of the enterprise. Never before in the history of this county has there been such a distribution of costly awards and never before has there been such an exciting battle to land them.

Absolute Fairness to All

In order to maintain the strictest secrecy as to the number of subscriptions turned in by each individual candidate during this, the last week of the election, the race is being brought to a close under sealed ballot box.

No subscriptions whatever are being accepted through the campaign department this week, but instead candidates are instructed to deposit their total collections in the sealed ballot box located at the First Guaranty State Bank. By so doing, no one, not even the campaign manager, can possibly know the voting strength of the respective candidates, which precludes any possibility of favoritism and insures fairness to the minutest degree.

Locked and sealed the ballot box now repose in the vaults of the First Guaranty State Bank, where it will remain until the closing hour of the election—12 o'clock Saturday night.

When the final hour arrives the contest will be declared closed. The judges will then break the seals, unlock the box, and immediately thereafter, or as soon as votes can be issued on the subscriptions contained therein, the last count will begin.

Most Successful Campaign

And never before in the history of the state has there been such a successful subscription campaign. Each of the leading candidates has turned in hundreds of new as well as renewal subscriptions, and the enthusiasm of the contestants has been augmented by the hearty responses the people have made to their solicitations. The final week will give the total volume of the big campaign a big boost.

Each contestant is now devoting every minute of their time to getting in all the votes before the closing hour, and the enthusiastic boasting of their friends is proving an important factor in the race. The awarding of the prizes will be the biggest event in the history of Vernon. Interest bordering on excitement will prevail all day Saturday.

Her first appearance was with the original 101 Bison. Pathé "Red Wing Series" also as "Naturich" in the "Squaw Man" opposite Dustin Farnum and the "Starlight" in Days of Daring, opposite Tom Mix. MORALS VS. MORALS DISCUSSED IN NEW WARNER PHOTOPLAY

An evening gown the garb of gratification?

Without hesitation most of us will say that it is not, but the stern parent in "Why Girls Leave Home," which will be shown at the Pictorium theatre Friday and Saturday is firm in the belief that it is a sham and ingenious mode of revealing the backs of women. In direct contrast to this assertion Ann Q. Nilson, who is the featured player in the screen play, contends that there is nothing suggestive about an evening gown and that furthermore it serves to make women more attractive in the eyes of their admirers.

"Practically all of a woman's life is centered on being attractive to either her husband or intimate friends," said Miss Nilson, smiling demurely. "Surely, if we take away the right of a woman to look her best, we rob her of the only possession with which to hold her man. But evening gowns are

not to be despised. In the picture my father sternly objects to my wearing the gown simply because he is an old-fashioned, narrow-minded person whose foresight has never gone beyond the four walls of his home. The broader viewpoint on this question can be brought about by education and religion, and by a saner and more appreciative consideration of their daughter's problem by the parent."

Prominent members of the cast supporting Miss Nilson include Claude King, Julia Swaine Gordon, Maurice Powers, Colt Anderson, George Lessley, Dan Mason, Kate Blanche, Kathryn Perry (Mrs. Owen Moore) and others of prominence in the screen world. The production was made by Warner Brothers, supervised by Harry Rapf and directed by William Nigh.

WEDNESDAY AND THURSDAY AT THE PICTORIUM

A complete motion picture of the Annual Thanksgiving football games between Texas and A. & M. will be shown Wednesday and Thursday at the Pictorium. According to reports the last game drew the largest crowd of all history of the game. More than 25,000 witnessed this battle. The picture will show play by play as was fought between the two teams Thanksgiving day. Those who could not see this game now have an opportunity to see it on the screen Wednesday night.

In addition to the big football picture, Neal Hart in "Rangeland," a thrilling story of the Texas cattle ranges and western life, will be shown. This is a thrilling story from start to finish.

"WHILE SATAN SLEEPS" AT THE VERNON THEATRE

"A man's fight with himself," says A. S. Levino, adapter of Jack Holt's latest Paramount picture, "While Satan Sleeps," showing at the Vernon theatre next Wednesday and Thursday, "is the best description of the theme of this picture. To fight with a material enemy is comparatively easy, but to battle with one's own conscience and beat the evil influences at work in one's self, is a scrap that will put a man to the test as nothing else can. That is the kind of role they have given Jack Holt in this picture."

Many have read Peter Kyne's story "The Person of Panamint," upon which this new picture was based. Joseph Henaberry directed and the cast includes Fritz Brunette, Wade Boteler, J. P. Lockney, Mabel Van Buren, Will Walling, Fred Huntley and other capable Paramount stock company players.

"LONESOME CORNERS" IS ROMANCE OF MAINE

Edgar Jones and Edna May Soper who have been confining their activities to two-reel dramas of Maine, as written by Holman Day, will appear in a feature film at the Vernon Theatre next Friday.

It is called "Lonesome Corners," the title referring to a spot deep in the solitude of the great woods of the North, where the days came and went with tiresome monotony, where visitors seldom came.

There Henry Warburton managed a general store. He was a member of a wealthy New York family who had sown his oats too wildly and had been banished to the North woods for ten years, if he would inherit his father's fortune.

"Lonesome Corners" tells Warburton's unusual love story—his marriage to an ignorant little girl of the

woods, his regret, and then his awakening. It is a story rich in humor and human interest, and is said to also contain an element of mystery and suspense. It is an Edgar Jones production presented by Playgoers.

the outside world recognize us as a courteous and likable people," he asserted.

Judge Berry praised the churches for the work they were doing in Vernon and said: "Wherever you find a church going people, you will find a reliable and worthwhile community."

Rossman Speaks

James G. Rossman, manager of the Vernon Electric and Ice company, was a guest of the club and made a very interesting address. Mr. Rossman spoke in part as follows: I want to emphasize Judge Berry's talk on the matter of cleaning up the town. One of the first things I did after coming to Vernon was to repaint and renovate our office. The speaker asserted that while he was a newcomer he was anxious to serve this city and county in any way he could and called attention to the slogan which his company was offering a prize for the citizen who would suggest the best one for Vernon and Wilbarger county.

Mr. Rossman said that his company expected to beautify the surroundings of all of its property by planting flowers next spring.

SAINT NICHOLAS TAKES HEART AT SIGNS OF HELP FROM VERNONITES

"And there is Vernon," said old Saint Nicholas, as he indicated a small point on a huge map of America.

The patron saint of Yuletide sat in a chair of ice, in his great ice-pillared hall to the north of the northernmost bounds of Labrador. Brilliant lights from the aurora borealis lit the doomed interior and glistered on countless stacks of toys—millions of them.

Fur clad gnomes were hurrying in and out, messengers, couriers, advisers.

The Little Grey Gnome, who was chief counsellor to Saint Nicholas, brightened up at the mention of the word. "I've just had a wireless message from these," he declared. "The chief who is in charge of Northwest Texas reports that the merchants in Vernon have started a 'buy your Christmas presents early' movement, which is already gaining good headway."

Saint Nicholas breathed a sigh of relief, and his jolly red countenance lost for a moment its faintly troubled look.

"Thank goodness for that," he declared. "Most of those Texas cities never can be made to believe that Christmas is coming—not till a day or two before. Then all the parents, the ones we have been depending on to help us out, rush to the stores and swamp the post office and the express office, and such a confusion you never

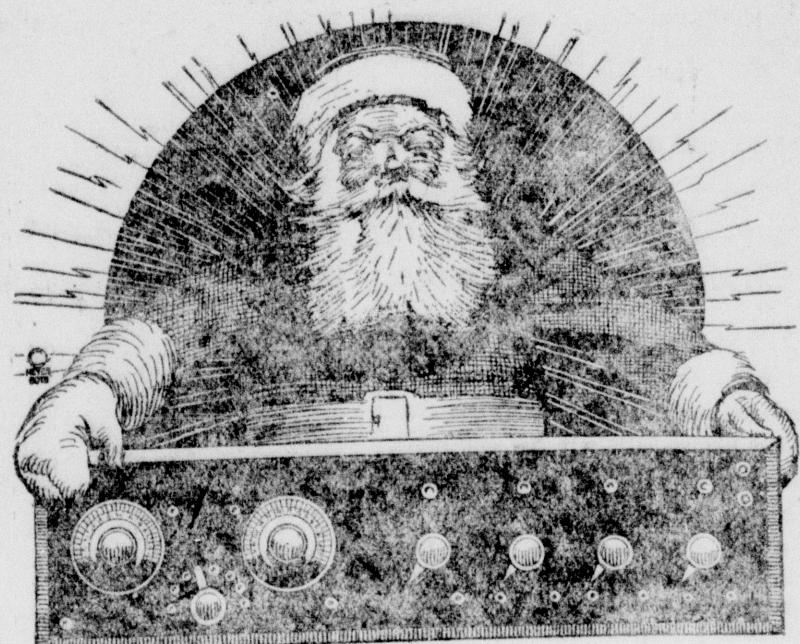

get something getng."

Saint Nicholas walked down a long aisle in the domed hall and stuck his head out of door. Messengers were hurrying back and forth, along a well beaten trail; sleighs loaded with goods were skidding past, their bells tinkling in the air. The vast wastes of the ice covered plain stretched in the distance, the stars showed near over head between flashes of the brilliant Northern Lights. The wind was biting as hot steel, and the patron Saint

of Christmas pulled his fur coat about him. Far in the distance sounded the mournful challenge of an Esquimaux dog.

Beset by myriad responsibilities, Saint Nicholas nevertheless smiled as he gazed on the loved, familiar scene. His mind dwelt for an instant on the recent conversation with his aged and wrinkled chief adviser.

"And there is Vernon," he repeated softly as he turned back into the ice-jewelled interior.

SWEET CLOVER AIDS ODELL HOG RAISER

CHILlicothe Farmer Has 45 Acre Crop; Feeds Hay To Cattle

has a three acre piece of sweet clover growing where he had previously made three attempts to get alfalfa started. His land is sandy sage brush land, the type that blows when left clean. He ran 20 head of hogs on a three acre patch all spring and summer but they didn't make much showing against its rapid growth.

There are many soil conditions where it would be useless to sow alfalfa which are now covered with a good growth of sweet clover.

W. M. Emmons found this year that sweet clover withstands dry weather much better than alfalfa. Both were sown together (seed mixed). The alfalfa all died but the sweet clover lived and remained green.

L. J. Loter, of Kirkland, sowed sweet clover and alfalfa mixed seed three years ago. The alfalfa has disappeared almost entirely but most of the sweet clover is still living. However, he has an adjoining piece of land in alfalfa, but he says the sweet clover furnishes earlier grazing in the spring than alfalfa.

As a hay crop sweet clover is usually not satisfactory because so many farmers wait too long to cut it. If cut when about knee high it is fine in quality, fine stemmed and is perfectly satisfactory. Its feeding value is the same as alfalfa.

areas of sweet clover and feeds the hay to cattle and work stock with splendid results. The yield one year with another is about 1 1/2 tons per acre. As a pasture it will return a larger value than as a hay crop. This is the experience of those who have grown it longest. Consult your county agent about sweet clover. Prepare land now and sow in January and February.

COMMUNITY SPIRIT.

Vernon has made many civic
improvements recently, and others are being made. With the
development of an abundant
water supply in process of ac-
complishment, this city will be
in a position to offer fine induc-
ments to outside enterprises.Cities grow by capitalizing the
advantages which they have, us-
ing them as levers to secure other
advantages. Vernon needs to
exploit its own resources and in-
dustries and business.Co-operation is needed if this
is to be done. It is not enough
to have civic pride—community
spirit is necessary. It is true of
cities just as it is of men that
“whosoever would save his life
shall lose it.” It is a law of life
that the greater the sacrifices
which citizens make for the com-
mon good, the greater the re-
ward to the community and the
individuals who compose it.It is natural that distrust and
jealousies should grow in such a
maelstrom of speculation as Wil-
barger county experienced during
the oil boom. But the essential
soundness of this county's
resources, the dominant qualities
of its business men, have been effectively proven. The
county's finances are today in
better shape than at any previous
time since the outbreak of the
war, according to local bankers.
And Vernon business men have
passed through the period of de-
flation which followed the war
and which was made doubly
acute here by conditions resulting
from the oil boom, and are
now in shape to face the future
with confidence.Vernon is on the threshold of a
new era of development. But it
is likely never to get past the
portals unless its citizens unite
their strength to meet the keen
competition which wide awake
cities of this section are offering.**NOTICE**The Central Meat

SEEK TO AROUSE INTEREST
IN PLANTING PECAN TREES

A campaign to arouse interest in pecan culture and to induce every woman in Wilbarger county if possible to plant at least one pecan tree, was decided on at a meeting of the Home Science club, held at the home of Mrs. J. G. Sherman. Other Vernon civic organizations will be asked to aid in the work.

All members of the club who were present at the meeting pledged themselves to plant pecan trees. The paper shelled, quick maturing variety is the one most favored. Several of these trees are growing in Vernon and the county is said to be admirably adapted to their growth.

MANY KIDDIES SEND CHRISTMAS LETTERS

RECORD IS ENTRUSTED WITH DELIVERY OF HIGHLY IMPORTANT PAPERS

Grown-ups may not realize that Christmas is almost here, but Vernon kiddies all know it, and the Record of course has been made aware of the fact. For petite little misses and bashful freckled-faced little boys have been dropping in all during the week bringing letters to Santa Claus.

The Record cannot give positive assurance that issues containing these letters will reach Santa Claus before Christmas arrives, for the way to his country is long and travel is sometimes slow. And strange to say, not one of the contestants who are getting subscriptions to the Record has put jolly old Saint Nicholas down for even a year's subscription. But he has many scouts in this part of the country and some of them are pretty sure to see the letters written by good boys and girls.

So from now until Christmas, the Record will publish as many letters to Santa Claus as space will permit. Letters received this week follow:

Vernon, Tex., Dec. 12

Dear Santa Claus: I will write you a letter to see if you will come to see us. I am hoping it will not be cold or you will not be sick and will have lots of presents for all the little kiddies. I would like to have a nice doll and a ring. I have three little sisters, their names are as follows: Geneva Hicks, 7 1/2 years; Ray Hicks, 5 years, Lola Hicks, two brothers Hollis Hicks, 13 1/3, Dewey Hicks, 15 1/2.

Now dear Santa, I sure hope you will find us, as we want to see you very bad. Hope it will be nice and warm and you will have lots of presents for the kiddies. All will be glad to see you in your furs. Oh, Santa I forgot, mother's name is Eddie Hicks. Hope you will bring her something too. Well, Santa, I will close, hoping to see you. I live north of the Frisco water tank. Goodbye, Santa.—Little Ruby Hicks, Vernon, Tex. Box 949.

Vernon, Tex., Dec. 11

Dear Santa Claus: I am a little girl ten years old. Please do not forget me this year, please bring me a big doll, a little stove, a doll trunk full of clothes, and some apples and oranges and candy, a wash tub, and all kinds of nuts.

I will close for this time. Goodby.—Laura Mae Rogers, South Violet St.

Vernon, Tex., Dec. 11

Dear Santa Claus: Don't forget me this year. I am a little boy 12 years old. Please bring me a pair of skates, a box of marbles, a suit of clothes, a ball and a mitt. Bring me some bananas, oranges, nuts, candy.

Goodbye, Your Friend, Garland Rogers, South Violet street.

Vernon, Tex., Dec. 9

Dear Santa Claus: I am a little girl eight years old. Please don't forget me this year. Please bring me these things. I want a big doll, a wash tub, a set of dishes, a new pair of shoes and all kinds of nuts and oranges and apples and bananas. I will close for this time.

Goodbye, Lora Rogers, South Violet street.

Vernon, Tex., Dec. 9

Dear Santa Claus: I am nearly two years old. I want you to bring me a little dog, fruit and candy, so goodbye.

John Williams Dempsey, East Main street, second block west of Park er school.

Vernon, Tex., Dec. 9

Dear Santa Claus: I am a little boy two years old. I am writing you hoping you will think of me and my little baby brother two months old this Christmas. I will be satisfied with anything. I am in the little red house due north from the Frisco water tower, so goodbye.

Johnie Baird.

My little brother's name is Robert Baird.

Vernon, Tex., Dec. 10

Dear Santa Claus: I am a little girl going on two years old. Please don't forget me this Christmas. Please bring me a doll, a rattle, fruit and candy. I live at my grandma Dempsey's, corner of Maiden and Eagle street.

Alma Isabell Chancellor.

Serious injury to a number of the greens in the local golf course near Vernon, N. J., has resulted from the abundance of Japanese beetle larvae, according to reports received by the Bureau of Entomology of the United States Department of Agriculture. The green offer ideal facilities for the insects to lay their eggs during the season, and it is apparent that the effects of these heavy egg deposits will be serious, in some cases necessitating the rebuilding of infested greens.

COLORADO DOUBLES MILEAGE OF ROADS IN SEVEN YEARS

Colorado has more than doubled its mileage of improved road in the last seven years, according to the United States Department of Agriculture, which has made an extensive investigation as to the highway mileage and revenue of the state.

In 1914 there was 13,298 miles of improved road and a total of 39,750 miles while in 1921 the improved mileage had increased to 29,540 miles and a total of 48,143.

The improved road at the present is classified as follows: Graded and drained, 24,941 miles; sand, clay and gravel, 4,397; macadam, 151 miles; other types of surfacing 71 miles.

While most of the improved road in this state is what is known as low-type road, the fact that more than 60 per cent of the total mileage has been improved constitutes a record that will be envied by many.

For each square mile of area the road revenue amounts to \$85.56 and there is one-half mile of road. The

total road revenue amounts to \$9,635 per capita, \$182.07 per mile of road and totals \$8,765,445.

Play at Rayland Saturday Night

Pupils and faculty of the Rayland school will give a play, "The Old Fashioned Mother" at the school building Saturday night. Admission prices will be 25 cents for grownups and 15 cents for children over 10 years old, while children under 10 will be admitted free.

Proceeds from the play will go to a fund to purchase a piano for the church.

Officers Seize Big Still

A 50 gallon still and a quantity of mash were seized by a deputy sheriff Sunday, on a farm south of Harold. A man who was at the outfit escaped by running across a field. The moon and part of the whiskey making outfit was destroyed, while the rest was brought to Vernon.

Fair Association Directors Meet

Plans for the sale of a portion of the Wilbarger county fair grounds were discussed at a meeting of the directors of the fair association at the Chamber of Commerce headquarters yesterday afternoon. The meeting was devoted to informal discussion and no definite action was taken.

More than 25,000 farmers adopted the use of self-feeders for hogs in 1921 following demonstrations by extension workers, according to reports to the United States Department of Agriculture.

THREE PIONEERS REMEMBER WHEN THEY CAME HERE; FOURTH DOESN'T

"I landed in Vernon 33 years ago today," remarked an old timer yesterday as he broke into a conversation between two prominent Vernonites in front of the Waggoner National Bank. "It was just about such a day as this," he continued. "The weather was all one could ask."

"You haven't got me bested, I came here on February 5, 1889," replied Tom H. Shive, one of the trio of Vernon's pioneer citizens.

"I landed here in the fall of 1889 myself," remarked W. O. Anderson, the third member of the trio.

It was Dr. J. E. Dodson who celebrated his 33rd anniversary in Vernon yesterday.

"Reminiscing" is a favorite sport in Vernon among the early settlers of this section and none have had a wider experience during the early business and a professional development of Vernon in the nineties than this trio of veterans.

A phase of this item which adds still another chapter to the coincidence is the fact that the reporter for the Record that caught this bit of conversation also landed here in 1889—he does

n't remember, however, whether it was a sunshiny or rainy day or whether a sandstorm was raging.

GOVERNMENT FILM SHOWS REAL WAR

AMERICAN TROOPS IN ACTION PORTRAYED BY SIGNAL CORPS PICTURE

"America's Answer," official United States government picture of the world war, will give those who were not on the battlefields of France a definite idea of what the front was like. The film will be shown at the Vernon Theatre Dec. 20 and 21, under auspices of the American Legion.

The picture was made during the war by the U. S. Signal Corps, to be used at the time of making, officially by the War Department. The picture is in seven reels and constitutes a complete, vivid portrayal of the world war and the part played by America.

The film starts by showing President Wilson and General Pershing, the man who taught the military experts of Europe a lesson in breaking through the Hindenburg line, which they claimed were at some points impossible to take. Then the great problem of getting the men across the ocean that was undermined with German submarines is portrayed.

The building of big steel and concrete warehouses, base hospitals, railroads, refrigerating plants, and locomotives, is shown. Then to the preparing of camouflage, which is shown later in use on the front. The picture moves gradually upward in the scale of climatic interest to the final burst of three reels of war, shorn of its glamor and revealed naked in its awfulness.

ZEPPELIN ATTACK SHOWN

There is the airplane raid by day, the Zeppelin attack at night, and the killing of hundreds of helpless, old men, old women, and little children. You'll breathe a sigh of pleasure when you see the huge, merciless serpent of the air shot down with an anti-aircraft gun, manned by "doughboys." Showing with a remarkable close-up of our boys going over the top, through bursting shells and tangled wire, hand to hand fighting, gas attacks is seen. The largest guns used by the Allies in real battles, the large guns mounted on railway flat cars, the tremendous trench mortars, and the big gun, manned by Americans, which shot 22 miles are to be seen.

Two of the thrilling scenes were made by German photographers, one was captured and the other killed. One of the scenes show the Royal Prussian Guard, the Kaiser's picked men, shooting into French and American lines. There was several men besides Germans that were killed making some of the scenes.

In viewing this picture you are seeing the war as it was actually fought. As a famous historian exclaimed after seeing the picture, "A more complete history of the war and the part played by America could not be written." Many men that have seen the picture admit they see more in this picture than they did in France, in the way of action. Many of the things shown in this picture have, until lately, been guarded in the archives of the war department as secret military information.

It is a picture that school authorities believe every school child should see. So each afternoon there will be

BOB WHITE IS ABSENT ON VACATION, HUNTERS SAY

What has become of the little Bob White? is the question Vernon sport enthusiasts are asking. Repeated salutes into the country, careful working of the brushy creek bottoms, the maize patches and other places where quail are usually found, have in most cases been unproductive of results. Even the prowess of several justly famed quail dogs has suffered, and their master is dimmed in the eyes of their owners.

The reason is, hunters say, the quail just aren't there. Many ducks are to be found along the rivers and creeks, but few quail.

The scarcity of rabbits in many portions of the county also is puzzling. Some attribute their rarity to the fact that coyotes are numerous, while others hold the belief that the drought of last summer caused them to migrate to greener fields.

A farmer living a few miles northeast of town recently told friends in Vernon that he has five flocks of quail on his place, which are so tame they often come to the barnyard to share meals with the chickens. But his land is posted, so the intelligence doesn't mean anything to hunters.

ATTENDANCE AT VERNON SUNDAY SCHOOLS 1,311

Attendance at Vernon Sunday schools last Sunday totalled 1,311, according to figures submitted by Sunday school superintendents. The First Baptist Sunday school went ahead of the First Methodist, the former having 410 and the latter 400. The Central Christian also took the lead over the Church of Christ, the figures being 193 and 180. The Presbyterian church had 123.

Out of respect for the memory of Judge Huff, for whom funeral services were conducted Sunday afternoon, no downtown service was held. Next Sunday the afternoon meeting will be in charge of Rev. Thomas J. Milhoff, minister of the Church of Christ.

BIG COTTON ACREAGE PLANNED

Farmers of the Elliott community will plant a large acreage to cotton next year, stated J. O. Blanton, manager of the Elliott gin, who was in Vernon Monday on business trip. Wheat is looking fine, Mr. Elliott stated, and a number of farmers already are pasturing livestock in the fields. Cotton raisers in many instances are preparing their land for next year's crop.

WHITE CHRISTMAS PLANNED AT PRESBYTERIAN CHURCH

A White Christmas program will be carried out by the Presbyterian Sunday school next Sunday at the Sunday school hour. The Christmas tree will be in place and the gifts will be placed on the tree by a special committee.

The Sunday school is undertaking to provide an individual gift for the 250 orphans in our orphans' home at Itasca and Albany. Each child is asked to bring a gift suitable for a child of its age. Knives, books, ties, dolls, pencils, tablets, toys for clothing, in fact anything that children would enjoy may be given. A barrel of apples will be sent to each orphanage, at so enough candy to give each child a large stick.

The White Christmas also includes old and worn out ministers. All who will are requested to bring a gift of money for these. There are hundreds of them who are too old for service and must now depend on the church for their daily bread. Place the money in an envelope or tie a string about a bell and give it to the committee next Sunday morning.

All this is done a week early so that the orphans may receive their gifts in time for a real Christmas and the children of the Sunday school realize some of the real Christmas spirit—giving.

OUR APPRECIATION

On the eve of the termination of the *Vernon Record*'s mammoth prize-winning campaign, the management of the campaign and the publisher wish to express their appreciation of the wonderful results that have been accomplished by these enterprising, efficient contestants. Starting very slowly at first, each week added momentum and found more and more people taking active part in "backing various candidates until now on the final lap, it seems that all West Texas is engaged in one powerful, smashing, tremendous struggle for supremacy in the battle of ballots.

The only regret on the part of the management is that instead of two, we had about one dozen automobiles to give away to the splendid list of hustlers. Too much cannot be said of the character, the caliber and spirit of these contestants. In experience covering a period of over nine years association with newspaper candidates throughout the southern States, the management has never seen a list of candidates who could be better termed "the pick of the community!" Ambitious, energetic, fair-minded, courteous, it has been a real pleasure and a privilege to be associated with them.

It is with sincere regret that we see the campaign near its end and our daily association and visits with them brought to a close.

Just a word might be said as to the conduct of the campaign and its close. With the idea rigidly fixed in the mind of absolute fairness to one and all not only through the progress of the race, but through its close, a sealed ballot box is being used (as is explained in the details of the final count on another page). By using this sealed ballot box into which is placed all subscriptions secured this last week and their reserve ballots, no one, not even the campaign management nor the publisher himself, can know what any candidate is accomplishing until the whole race is over. This method of bringing the big battle to a close insures absolute fairness to everyone.

As to the results which the splendid contestants have been able to accomplish—they have been truly wonderful. The fact that the circulation of the *Vernon Record* has been nearly doubled by their efforts is an assurance that the most popular and the highest type of people in West Texas have been engaged as participants.

Every individual contestant who has shared in this success should feel proud of what he or she has accomplished and of how many real friends, REAL friends they have discovered and made, who have helped them on their way toward the goal.

As has been stated before, the management regrets that there are not more automobiles to be distributed—Enough, in fact, so that every one of these worthy hustlers could be given one. Since this cannot be true, however, every participant who does not land one of the biggest prizes and who has remained active through the campaign will receive a reward in cash in proportion to what they have accomplished, and from the present indication, some of these cash awards will mean real money to the recipients.

The management wishes again to express sincerest appreciation and thanks to each individual contestant for the friendliness and good feeling that has prevailed throughout the race and the kindness and courtesy and fairness and goodness shown the management at all times. It has been a privilege indeed to have been associated with men and women of such character and West Texas should feel proud to possess such genuine, progressive, energetic, ambitious, fair-minded, awake-to opportunity citizenship.

Inc., is withdrawing from this section of the state and abandoning its stores at Vernon and Chillicothe, it was announced today. The management of the company, in a statement to the Record, said that local and headquarters officials are very grateful for the courtesies extended by citizens of Waco county, and appreciative of the trade with which the company has been favored.

Part of the equipment of the local concern has been purchased by the Zachry-McCaleb Produce company, while some of the fixtures will be shipped. Most of the stock has already been disposed of.

The Foster company dealt in eggs, chickens, turkeys, hides and produce. Its withdrawal from the field leaves only two regular produce houses in Vernon.

DETAILS OF THE FINAL COUNT

IN ORDER TO MAINTAIN STRICTEST SECRECY AS TO THE NUMBER OF SUBSCRIPTIONS TURNED IN BY EACH CANDIDATE DURING THIS, THE LAST WEEK OF THE VERNON RECORD'S BIG AUTOMOBILE AND GOLD PRIZE CAMPAIGN, THE RACE WILL BE BROUGHT TO A CLOSE UNDER A SEALED BALLOT BOX. AFTER TODAY THE STANDINGS WILL NOT BE PUBLISHED.

No subscriptions whatever will be accepted thru the campaign department this week, but instead, candidates themselves will deposit their final collections in the sealed ballot box located at the First Guaranty State Bank of this city. By so doing no one, not even the campaign manager, nor the publisher, can possibly know the voting strength of the respective candidates, which precludes any possibility of favoritism and insures fairness to the minutest degree.

LOCKED AND SEALED, THE BALLOT NOW REPOSES IN THE VAULTS OF THE FIRST GUARANTY STATE BANK, WHERE IT WILL REMAIN UNTIL THE CLOSING HOUR OF THE CAMPAIGN—12 O'CLOCK SATURDAY NIGHT, DECEMBER 16.

When the final hour arrives the campaign will be declared closed. The judges will break the seals, unlock the box, and immediately thereafter, or as soon as votes can be issued on the subscriptions contained therein, the last count will begin. The winners will be determined by merely adding the published vote totals, which will appear for the last time in today's issue, to the reserve votes and those contained in the ballot box. There will be no waiting, no complicated count, but simply a matter of adding the vote totals and announcing the winners.

It is calculated that it will require some time, however, to canvass the findings in the box and to determine the winner. The official result will be published in next Tuesday's issue of The Vernon Record.

Out-of-Town Candidates Attention!

Heretofore out-of-town candidates have had the privilege of mailing their letters containing subscriptions from their home town as late as the closing hour of the various "periods." This will not be permitted the last night of the campaign. ALL VOTES AND SUBSCRIPTIONS MUST BE IN THE SEALED BALLOT BOX WHEN THE RACE IS DECLARED CLOSED AT TWELVE O'CLOCK SHARP. Out-of-town candidates should, where possible to do so, arrange to deposit their envelopes in person at the bank, but where this cannot be done, letters containing the final remittances should be addressed to "Campaign Department," Vernon Record, Vernon, Texas, and plainly marked: "For Sealed Box. Not to be opened." Particular care should be taken to post such letters in good time to reach this office before the final hour and it is advisable that same should be sent under special delivery stamp.

Important Notice

All subscriptions deposited in the sealed ballot box must be accompanied by cash, money order or certified check for the full amount to cover. Personal checks up to \$10.00 are acceptable, providing no two checks are signed by the same party. This ruling is made in fairness to all candidates, and will be strictly adhered to.

The Judges

Some of the members of the Advisory Board, selected at the beginning of the campaign, will be asked to act as judges; to canvass the finding in the ballot box, and to award the prizes. The personnel of this board is as follows:

HUB COLLEY
Lumber Dealer

R. D. HURT
Farmer

T. J. MILNER
Farmer

LON BYARS
Farmer and Banker

T. C. FROST
Farmer

R. D. L. KILLOUGH
Lawyer

A. M. BOURLAND
Farmer and Banker

All of these gentlemen are well known to everyone in Vernon and surrounding territory, and the final result, as given out by them, will be beyond dispute.

Fourth Period Vote Schedule

The last week (terminating December 16) the following number of votes will be issued on subscriptions:

1 year	\$ 2.00.....	3,000	3 years	6.00.....	30,000	5 years	10.00.....	60,000
2 years	4.00.....	15,000	4 years	8.00.....	45,000	6 years	12.00.....	90,000

The above schedule of votes, which is on a declining basis, will positively not be raised during the campaign. A special ballot, good for 100,000 extra votes, will be issued on every "club" of \$12.00 in subscriptions turned in. A "club" may be composed of small or large subscriptions totaling \$12.00 worth. No subscriptions will be accepted for over six years from any contestant.

FINAL FATEFUL HOURS

With the final hour, twelve o'clock Saturday night, emblazoned on their minds, stirring scenes are being enacted by candidates in the Vernon Record Great Automobile and Gold Election, now swiftly drawing to a close. Aroused to unprecedented opportunities of winning the beautiful motor cars and many other big prizes, each passing hour is instilling new energy into ambitious workers. Everywhere they are swarming in eager and anxious quest for subscriptions that will win them the big votes—and in the end, an automobile.

These workers pay no attention to frequent rumors that circulate with the hope of damaging effect. Misleading stories have but one object—influencing some candidate to retire for fear of being passed by some one else in the race. Such tales have no foundation whatever. It is obvious that no one can determine the ultimate result of the campaign.

Courage and downright hustle are the two main things to observe. Votes are the only things that will win the prize, and every candidate should—and, for that matter, is—taking upon himself and herself to annex just as many votes as possible between now and the close.

The road ahead may be strewn with barriers, but these will be of slight consequence to the one who goes steadfastly onward thru the corridors of chance and out into the "Land where happiness lies."
